## Harbour Saunas

All our saunas are built with superior carbon panels that provide even heat distribution and multi-colored mood lights with white spot lights throughout the sauna. All units have tempered safety glass, doors and windows for your safety. Digital controls give full use of temperature, time and lights. An AM/FM/CD/Mp3 stereo system is included with speakers and remote to provide the best in sound. Plus, all our saunas come with prefabricated panels to make for a quick and simple setup at your location.

\*Pictures and specifications are subject to change.

- Carbon Heater
